SITE/MONUMENT:
Shrine of Amon-Ra and Thoth

HISTORICAL NOTE ABOUT THE SITE/MONUMENT:
The Amun Ra (or Amon-Ra) and Thoth temple, at Abu Oda (Nubia), north of the Second Cataract, was a rock monument, built under the reign of Horemheb, the last pharaoh of the 18th dynasty of Egypt (around 1319 BC and 1292 BC). The monument was decorated by scenes of a ritual nature, depicting Horemheb amongst several gods, such as Amun, Thoth, Horus, and the pharaoh Ramses II. Nowadays only fragments of this temple remain, since it has been completely destroyed by the waters of Lake Nasser (Saad-el-Ali), in the 1960's.
